Dear Marriott:

I want to acknowledge with thanks the equipment loaned to FBIS by the BBC Monitoring Service. The three boxes arrived in excellent condition and no apparent damage has been incurred.

We in FBIS are on a constant lookout for new and improved equipment which may facilitate our mission and we have high expectations that your equipment will provide us with some ideas.

Upon completion of the testing of this equipment by our Engineering Staff the final results and test data will be forwarded to you for review by your Engineers.

Sincerely,

STAT
